CSE 460: Software Analysis and Design

Directory Management System Phase II Submission

Directions:

Complete your work for Phase II Part 2 in this document. Save and submit as a **single** PDF titled "Last Name_First Name_Directory Management System Project_Phase II_Submission".

Phase II, Part 2

After you have incorporated the PersonnelFactory, draw the UML class diagram of the Personnel Directory using Astah. When you have completed the diagram, take a clear screenshot and paste it in the space provided.
